APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and to hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion and place of use of waters of Rio Virgin heretofore granted under Permit No. 11513 is issued subject to the terms and conditions imposed in said Permit No. 11513 and with the understanding that no other rights on the source will be affected by the change proposed herein. A substantial headgate and weir must be installed at or near the new point of diversion to facilitate the measurement and control of water. The State retains the right to regulate the use of the water under this proposed change at any and all times.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use and not to exceed 2.14 cubic feet per second.

Actual construction work shall begin on or before October 6, 1950

Proof of commencement of work shall be filed before November 6, 1950

Work must be prosecuted with reasonable diligence and be completed on or before October 6, 1951

Proof of completion of work shall be filed before November 6, 1951

Application of water to beneficial use shall be made on or before

October 6, 1953. Proof of the application of water to beneficial

use must be filed with State Engineer on or before November 6, 1953

*Proof of commencement of work filed OCT 4 1950*

WITNESS MY HAND AND SEAL this 24th day

of July, 1950
